  - (c) Notwithstanding subclause (a) and (b) of this clause, CAPL must continue to make available an area for Ground Transport Passenger drop off and pick up during any period of construction or renovation. The parties acknowledge and agree that any such temporary drop off or pick up area may be provided on a non-exclusive basis.
  - (d) Subject to subclause (c), you may not raise any claim or objection in respect of any act, matter or thing contemplated by this clause.
  - (e) You acknowledge and agree that the Ground Transport Operators Amenities Building may be temporarily or permanently closed by CAPL at any time during the Term, without a replacement facility being nominated, without cause.

#### Reader Tags

19. Reader Tags will be available to be collected from the Car Park Service Kiosk. They may only be collected after you have registered on CAPL's online portal as a Licensee and Driver and have agreed to comply with these Terms and Conditions, once you have been endorsed by Uber and approved by CAPL.
20. A Reader Tag, pre-loaded with cash and connected to a credit card, is what allows you to access the Ground Transport Areas. If you do not have a Reader Tag that is pre-loaded with funds and connected to a credit card, you will not be able to enter Airport Land with a Vehicle.
21. You will pay a refundable security deposit of \$80.00 (or such amount as notified by CAPL) for each Reader Tag issued. The security deposit shall be returned only upon the return of the Reader Tag in good working order and condition and without markings, punctures or other damage.
22. You acknowledge that:
  - (a) The Ground Access Charge is the sum charged each time a Vehicle enters a Ground Transport Area and passes a Scanning Point (as defined in Clause 22(d) of these Terms and Conditions). You are responsible for collecting the Ground Access Charge by ensuring your Reader Tag is loaded with cash, connected to a credit card and scanned in accordance with these Terms and Conditions.
  - (b) The Reader Tag will be connected to a digital platform created by CAPL that allows Drivers to load money to their Reader Tag, and to link a credit card to their Reader Tag or other facility that is accepted by CAPL that is programmed to automatically load money to the Reader Tag once the Reader Tag falls below the Defined Floor Limit. The Car Park Kiosk can provide assistance if required on how to access and effectively use that digital platform. User Guides and FAQs are also located on the Cairns Airport Website.

**"Defined Floor Limit"** means the minimum amount that must at all times be loaded your Reader Tag as agreed by both CAPL and Uber from time to time, and which at the Commencement Date shall be \$20.00.

- (c) As an emergency option if the method outlined in subclause (b) fails because of some technology or other fault, money can be loaded to Reader Tags manually upon the Driver presenting at the Car Park Service Kiosk for that purpose, on the following basis:
  - (i) money can be loaded in pre-set amounts of \$20, \$50 or \$100;
  - (ii) the operator of the Car Park Service Kiosk will charge you an administration cost of \$4.50 per load, regardless of quantum. CAPL acknowledges and agrees that it will not pass on this cost if the emergency option is required because of a failure associated with CAPL's technology systems.

This option is only available in the event of a fault in the system outlined in subclause (c), or otherwise at CAPL's discretion, and only during the opening hours of the Car Park Service Kiosk. At the Commencement Date, the opening hours of the Car Park Service Kiosk is 4am – 10pm daily, and you acknowledge and agree that these hours are subject to change.

- (d) The Reader Tag will be scanned:

  - (ii) at T2 Transport Arrivals, at the boom gate that the Vehicle is required to pass to enter and exit T2 Transport Arrivals;
  - (iii) at T2 Transport Arrivals Front, at the boom gate that the Vehicle is required to pass to enter T2 Transport Arrivals Front;
  - (iv) at T2 Transport Arrivals East, at the boom gate that the Vehicle is required to pass to enter T2 Transport Arrivals East;
  - (v) at T2 Transport Departures Front, at the boom gate that the Vehicle is required to pass to enter and exit T2 Transport Departures Front;
  - (vi) at T2 Transport Departures, at the boom gate that the Vehicle is required to pass to enter T2 Transport Departures;(each being a **"Scanning Point"**).

23. When the Reader Tag is scanned at a Scanning Point, CAPL will automatically deduct the Ground Access Charge from the credit card connected to the Reader Tag.

24. If the Reader Tag is scanned at the Scanning Point but the Reader Tag does not contain sufficient funds or the credit card linked to the Reader Tag does not contain sufficient credit, the boom gate will not open and the Vehicle will not be permitted to pass the boom gate.

25. You acknowledge that if at any time the Scanning Point, Reader Tags or any other CAPL facility or software is out of order or malfunctioning, then on being provided evidence by Uber of the chargeable trips for the period in which CAPL's facility was out of service, CAPL may recover Ground Access Charges by automatically remitting payments from the Reader Tag or the credit cards linked to the Reader Tags.

26. You are responsible for:

- (a) ensuring that you load money to your Reader Tag;
- (b) ensuring that the amount of money loaded to your Reader Tag is at least the Defined Floor Limit;
- (c) ensuring that you link a credit card to your Reader Tag;
- (d) fitting your Reader Tag to your Vehicle windscreen so that the Reader Tag can be scanned at the Scanning Points;

(e) the replacement cost of any lost or damaged Reader Tags.

27. You are not permitted under any circumstances to provide a Reader Tag for anyone else to use.
28. You acknowledge that each Reader Tag shall be assigned to a specific Vehicle. Reader Tags may not be transferred or used in any vehicle other than the Vehicle and Driver to which the Reader Tag is assigned.
29. In the event that a Reader Tag fails to scan on more than three occasions in a one year period because of insufficient funds or credit, CAPL will revoke your Reader Tag. You will not be able to operate a Vehicle on Airport Land without a Reader Tag.
