Network updates

China Southern temporarily suspended flights between Guangzhou and Cairns from 14 April to 23 June, a low period for outbound travel from China to Australia.

Notable differences to April 2017

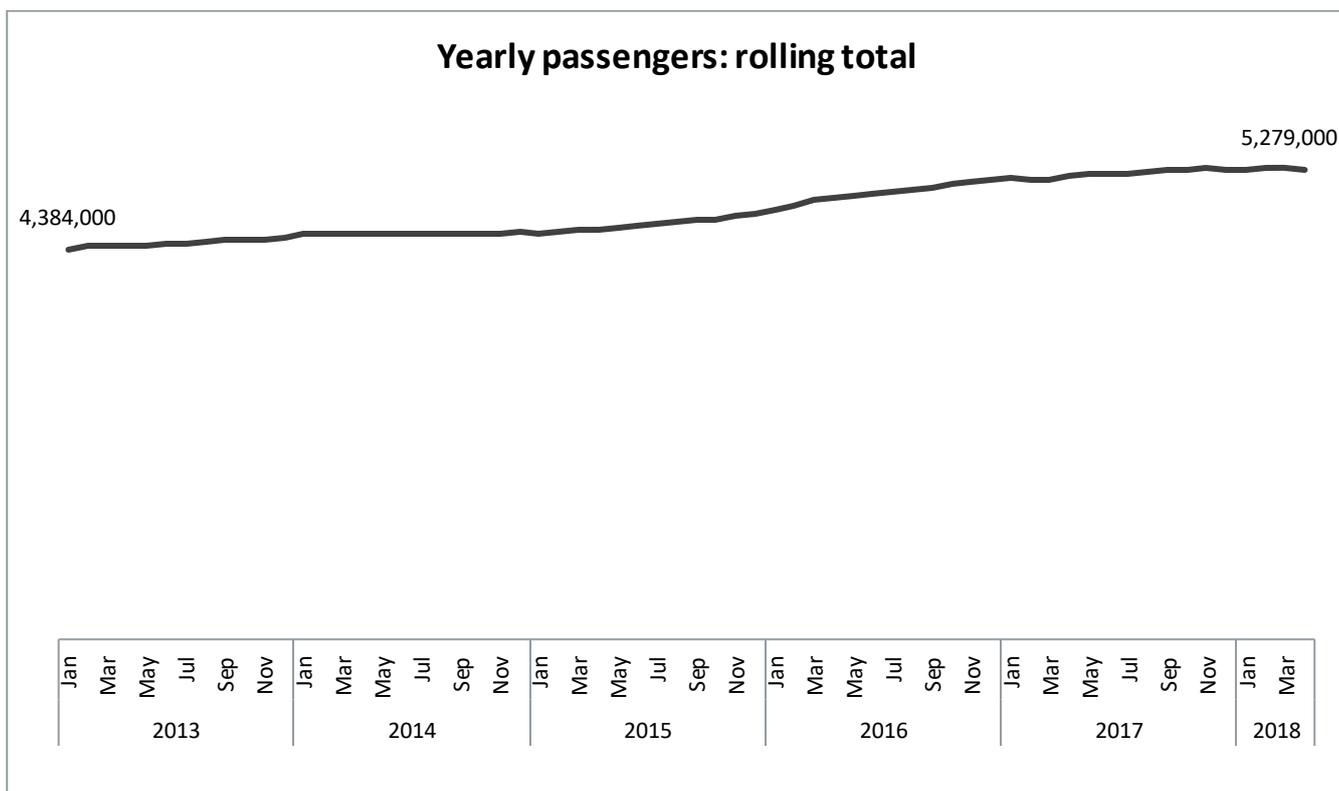

2017 had the highest April passenger number on record due to the timing of Easter and impacts from Cyclone Debbie which crossed the Queensland coast on 28 March 2017.

Easter fell on 1 April this year rather than 16 April in 2017, which shifted passengers from April into March.

April 2017 passenger numbers were increased by people travelling to Cairns instead of areas in central Queensland that had been affected by Cyclone Debbie.
