Above data subject to rounding

Cathay Pacific's first dedicated Cairns flights

Cathay Pacific has served Cairns for over 24 years and, for the first time, it commenced dedicated services to and from Hong Kong without an onward domestic sector.

On the dedicated flights all seats are available for travel to or from Cairns, rather than being used by passengers passing through Cairns on route to their final destination.

Cathay's domestic sector seat numbers reduced by 8,500, which contributed to November's 1% seat decline. Excluding this, there was 1% seat growth on other services.

Strong intrastate passenger growth

Interstate passenger growth of 0.5% was moderated by reductions on Adelaide, Darwin and Perth. Intra Queensland routes increased 6% due to strong Brisbane and regional growth, particularly on routes in support of mine operations and construction projects.

Reproduction or quoting of these statistics is permissible only if Cairns Airport Pty Ltd is acknowledged as the source.

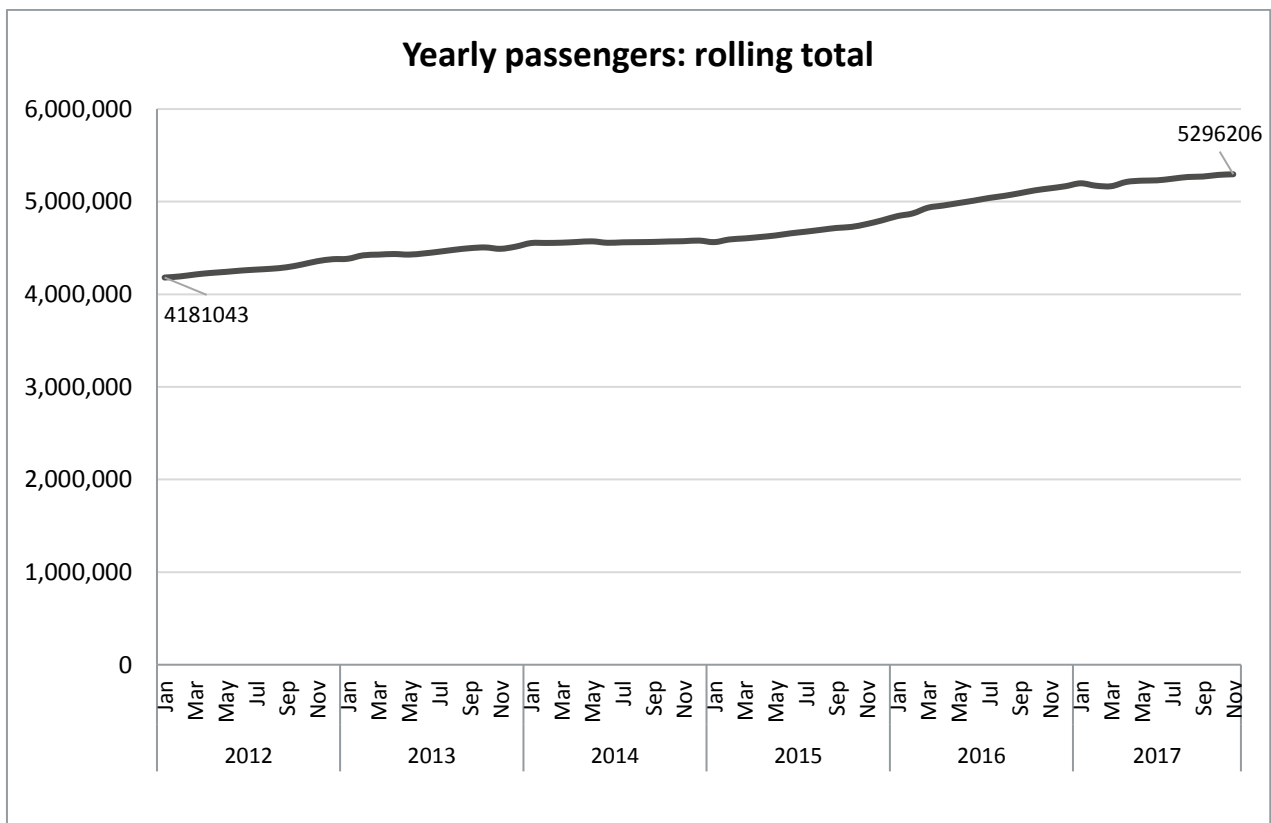

Enquiries should be directed to enquiries@cairnsairport.com.au.

Data may be revised at any time without notice.

In line with global aviation and Australian government report standards, the term passenger refers to a traveller occupying a seat on a single flight sector.
